OXFORD TT:120

In 2022 Oxford launched TT:120, a range of Diecast Collectables, at an internationally recognised scale of 1:120. The 6 brand new releases formed the first phase for this range. This scale is an ideal Table Top size and proves to be easy to handle and suitable to all those who are limited on space. The models have been produced in conjunction with Hornby TT:120.
