CELEBRATING 70 YEARS OF THE ROUTEMASTER

Our four new Routemaster models are expected to be available from approved Bachmann retailers from July 2024. To find your local stockist, visit the Bachmann website at:

WWW.BACHMANN.CO.UK

The website is also the best place to keep up to date with all the latest EFE Road announcements and releases, which will be made in conjunction with Bachmann's quarterly British Railway Announcements each February, May, August and November.

You can also follow EFE Road on Facebook and Instagram.

NOTE: The models displayed here are pre-production decorated samples. Colours and details on the final models may vary slightly.
